Although the 2015 Meeting Dates had already been approved, Dr. Boys suggested that at the March Board Meeting, they re-visit the topic of dates and meeting times, since by that time, there could potentially be 4 new board members that were not a part of the meeting date and time discussion. All were in agreement.

15.06

After individual review of the Board Policy Manual, it was suggested that email address and phone number be included as directory information. It was also suggested that the verbiage preceding the county rotation schedule be amended, due to the statute change, no longer requiring the governor to appoint only from our five county region. Trustee Pell moved and Trustee Moore seconded that the Board accept the amendments to the directory information and county rotation language in the BOT manual at the next meeting. Roll Call Vote was as follows:

Trustee Mike Pell, Vice Chair

Trustee Paul Hall

Trustee Donald Moore

Trustee Doug Boedeker, Chair

#### Revised Budget

Mr. Jim Buck presented a revised budget and discussed contributing factors such as refunds to local schools, adjustments to tuition estimates, iDashboard and Ad Astra software additions, and collection agency fees. Mr. Buck also addressed additional questions relating to the sale of South Campus, faculty and non-faculty raises and health insurance coverage costs.

#### Academic Affairs Report

Dr. Ryan McCall reported on several new programs, including HVAC, Cybersecurity, accelerated associate of arts and science, and a re-design of the real estate program. He also presented some recent enrollment trends in our online and off-site programs, as well as a model

for academic restructuring due to these trends and recent retirements and resignations. Dr. McCall concluded his update with discussion about a new credit hour reduction requirement presented by the Ohio Board of Regents, requiring all programs to be below 65 credit hours. Trustee Pell inquired about offering non-credit courses for businesses required to record continuing education, and Trustee Hall inquired about the rating for nursing success.

#### Communications Report

Dr. Nicole Roades began her report commending the members of her communication team for their high quality work and efforts. She also highlighted some projects and events from 2014, including: affordability and transferability projects, Connect-to-College days, Steps-to-Success events, the Adams County campus proposal, Mt. Orab grand opening event and showcased the new SSCC promotional video entitled Making Connections that Change Lives. Dr. Roades also discussed some anticipated projects surrounding College Credit Plus, the HLC accreditation visit, a potential campus in Adams County, and several celebratory 40<sup>th</sup> Anniversary events.

#### Human Resources Report

Mrs. Mindy Markey-Grabill reported on some key personnel issues and shared statistics regarding turnover rate and average employee age. She also shared information about a new employee recognition program, payroll software, and an upcoming event, LeaderCast Live, which was part of a Leadership Clinton class project.

#### Student Services Report

On behalf of Mr. James Bland, President Boys highlighted several success measures mentioned in the President's Report including tutoring advising and admissions, as well as the good progress on a new mandatory orientation for students. He also discussed the SALT program implementation, Connect-to-College events and iDashboard reporting capabilities. Trustee Moore commented on the good graduation/transfer rate for first-time, full-time students.

#### 2015 Strategic Goals

President Boys reported that these goals have been shared with the faculty and staff, both at All-College Meetings, and via an email including a survey prompting comments and ranking of importance. Overall, the feedback has been positive and the goals have been highly supported. Much work lies ahead on the Adams County campus project.

#### Future Facility Planning

President Boys invited discussion regarding direction for the Adams County campus. Discussion ensued surrounding issues of the site location and facility adjacent to the Career Tech Center near West Union High School, shared services, partnership opportunities, working
