2010 President's Report to the Board of Trustees

Dr. Kevin Boys, President

Enclose is a tentative calen ar of meetings for following our recent traition of meetings on the secon. We nest ay of the month. The hair an I thought it would be important to revisit the schellule to make sure that it is still the best time for the current Boar members. Please look at your calen ars an idea of your calen are at the meeting on We nest ay

I am continuing to communicate the work that has been one thus far concerning the renewe vision for outhern tate ommunity ollege t an all college meeting I outline the vision and the characteristics an attributes that will make us a first choice college. The following resource has been assemble to continue our two way conversation. You can access an abbreviate view of the college will e presentation a brief survey and a blog for sharing thoughts about the vision at the following web page, http://www.sscc.e.u.bout.trategic.Vision.efault.htm

The arrangements have been finalize for the January meeting an retreat at the Murphin Rige Inn. The retreat will begin at pm on un Jan an will continue through lunch on Mon Jan. We will provi e an agenta prior to the meeting for your planning.

I sent a congratulatory letter to our recently electe an re electe officials at the county state an fe eral levels an assure them that we stan rea y to assist in any effort to strengthen economic evelopment an provi e e ucation an training to our area s citi ens

On ec the Lin sey Wilson ollege master's degree program will be graduating its first cohort of stu ents through the partnership with outhern tate ommunity ollege. There will be nine graduate stu ents an nine undergraduate stu ents. The master's degree allows the stu ent to achieve a terminal license to practice counseling in the state of Ohio Lindse Wilson's School of Professional ounseling. LW Poffers its baccalaureate egree in Human ervices an ounseling and Masters of Education in ounseling and Human evelopment to qualified students and graduates of SSCC's Human and ocial ervices Program. The LW Pisa REP approve program which is the national certification by y for ounselor Education. The partnership with Lin sey Wilson ollege is very beneficial to the local community as there is a shortage of counselors in Ohio making this a very marketable egree.

The ec epartment of Energy workshop was cancelle ue to poor enrollment. The strategic alliance of regional schools E ison. Iark Miami Hamilton an VO Learning enter Wright tate Lake an Main campuses will try another one in January. It is reported earlier the purpose of this effort is to eliver via Internet connection at each of the schools epartment of Energy approve. In ustrial Technology Training ITP. This training is aimed at sizeable in ustries an other operations that consume a lot of energy. The training is a pilot to eliver an already established curriculum via the web As part of their green efforts the DOE focus is on training facility managers and engineers to use their pumps boilers lights an motors more efficiently. The test sessions conducted at entral ampus were successful thanks to the support of the IT epartment.

New abina associates continue to take online in ustrial technology training provi e through a partnership with ITZan outhern tate ommunity ollege Tom Payton Lisa
