

JUNE 2021 | DR. KEVIN BOYSE, PRESIDENT

- Slight increases (1% and ½%) in each year of the biennium in State Share
- The flexibility to increase tuition up to \$5 per credit hour in each year
- The establishment of the Ohio Code Scholarship Pilot program to be adopted through Southern State in our local high schools and Career Centers with an appropriation of \$240,000 in each fiscal year

COVID Recovery Plan

As you know, health orders throughout Ohio including those affecting the operation of the College were lifted on June 2. Susan Morris has coordinated the effort with the Board of Trustees and the Board of Regents to develop a plan and communicate guidance on campus now that the

Faculty Participating in Ohio Transfer 36 Review Panels

Southern State is pleased to learn from the Ohio Department of Higher Education's Ohio Transfer and Articulation Network (OTAN) that two of our nominations were accepted for review panel participation . Panel participation helps facilitate progress and implementation of statewide initiatives, as well as strengthen courses and programs for the students and citizens of Ohio by lending their subject area expertise and guidance to the review process.

Congratulations to Jeffrey Tumbleson who will serve on the Social and Behavioral Sciences faculty review panel and to Annie Rankin who will serve on the Arts and Humanities faculty review panel. Annie Rankin has accepted our invitation to serve and represent Arts and Humanities on statewide Ohio Transfer 36 (formerly the Ohio Transfer Module) reviews. Her involvement and panel participation will help facilitate progress and implementation of statewide initiatives, as well as strengthen courses and programs for the students and citizens of Ohio.

Adult Opportunity Center

Aspire Grant Award

From Chancellor Randy Gardner – “After a rigorous review process, I am pleased to let you know that your organization has been selected to receive an Aspire Adult Workforce Readiness Education Grant for Fiscal Year 2022. After the first one-year grant, the Ohio Department of Higher Education (ODHE) retains the right to fund the organization for up to two additional years – FY 2023 and FY 2024.

The tentative allocation of funds for your agency for Fiscal Year 2022 is \$240,000 for the Aspire Instructional grant. The final amount is contingent upon receipt of the federal grant award and confirmation of the state appropriation in the state budget bill.”

Instructional Technology

New Investments Help to Streamline Quality Assurance

In an effort to meet the needs of the rapidly changing distance learning landscape, the Instructional Technology Department has implemented two new tools aimed at improving distance learning development as well as streamlining quality assurance processes. DesignPLUS Tools for Canvas, allows course designers to cut the time it takes

be well positioned to ensure the transferability of courses to public and private institutions.

The Student Success Center staff (Advising, Counseling, Tutoring) have prepared over the last 2½ years to develop a holistic advising approach to career and academic planning. Many of our students have access to a comprehensive career assessment (compliments of a regional grant initiative for workforce readiness). Staff “coach” students through their career assessment and help them define their goals into an academic plan and pathway. Since *Guaranteed Pathways* ensures the opportunity for a bachelor degree after attending the community college, students can afford to pursue their goals.
