SSCC's Associate Degree Nursing program celebrates graduation

Forty-two graduates of Southern State Community College's Associate Degree Nursing program were recognized during a recent pinning ceremony at the college's Central Campus in Hillsboro.

Graduate Holly Tackett opening the evening ceremony with the welcome and introductions, followed by administrative greetings by SSCC President Dr. Kevin Boys and SSCC Director of Nursing Dr. Julianne Krebs.

“We’re proud—and grateful—for the career field you have chosen,” said Dr. Kevin Boys, SSCC President, who welcomed the students and congratulated the students on their accomplishments in the nursing program.

Dr. Julianne Krebs, director of Southern State’s nursing program, introduced the college’s nursing faculty and staff. “Join us in the excitement and joy as we celebrate the passage of these graduates into the nursing practice,” said Dr. Krebs.

Following the welcome and introduction, the Jacobson Memorial Scholarship Award was presented. In 2000, a scholarship was established to honor JoAnne Jacobson, who taught for the college’s nursing program from 1986-96. The Jacobson Memorial Scholarship Award is presented to a nursing student during the ADN pinning by members of the Jacobson family. First-level nursing student Makayla Campbell was awarded this year’s scholarship.

During the pinning of graduates, friends and family members of nursing students were welcomed to join their loved ones on stage to present the graduates with the Associate Degree Nursing graduate pins.
