management and leadership of several campus facility projects this year, including exterior door replacements, bathroom renovations, new outdoor lighting, improving efficiency, and generally creating a good working environment for all. Loren has had a great impact on the SSCC campus and has led significant improvements enjoyed by students and employees alike. Loren's leadership and professionalism have profoundly impacted the Facilities Department. His calm, competent demeanor, steady direction, and customer-focused mindset provide an inviting and dependable atmosphere that everyone notices. Loren always goes above and beyond on any task or project. His influence sets the expectation of excellence, putting others on notice and requiring them to bring their best.

"Southern State is fortunate to have many wonderful faculty and staff," says Southern State's Vice President 2 (r,)1 ( s) (P)S (alm,4 (e)9 (r(s)1m4 ( 0 Tc 0 Tw 19.6i)43 ( (t)10 (91)13 (nc3 ( (t)1039
