

Advance your Future with the Foster Short -Term Certificate Program at Southern State Community College

Do you need help paying for college or specific training? Have you ever been in foster or kinship care? Southern State offers a Foster Short-Term Certificate Program that provides grant funding to assist with education and training expenses associated with college.

Those who have been in the foster system could qualify for grant funding for a short-term certificate from Southern State Community College! This includes Commercial Driver's License (CDL), Computer Science certifications, Microsoft Office Specialist, State Tested Nursing Assistant (STNA), the Police Academy (Basic Peace Officer Training Academy) and more.

In partnership with the Ohio Department of Higher Education (ODHE), this scholarship is offered to support students who exhibit financial need and are enrolled in a less than one-year program leading to a credential or certification considered in-demand or industry-recognized.

Southern State does not discriminate, in its programs or activities, against applicants, employees, or students on the basis of race, color, religion, gender, gender identity or expression, national origin (ancestry), military status (past, present or future), disability, age (40 years or older), status as a parent during pregnancy and immediately after the birth of a child, status as a parent of a young child, status as a nursing mother, status as a foster parent, genetic information, or sexual orientation. Questions about this should be directed to the Lead Title IX Coordinator, 100 Hobart Drive, Hillsboro, OH 45133; (937) 393-3431.
